Bob,
It's been fun being in school with you. Good luck in the future. You are a very nice guy. Hope to get to know you better next year.

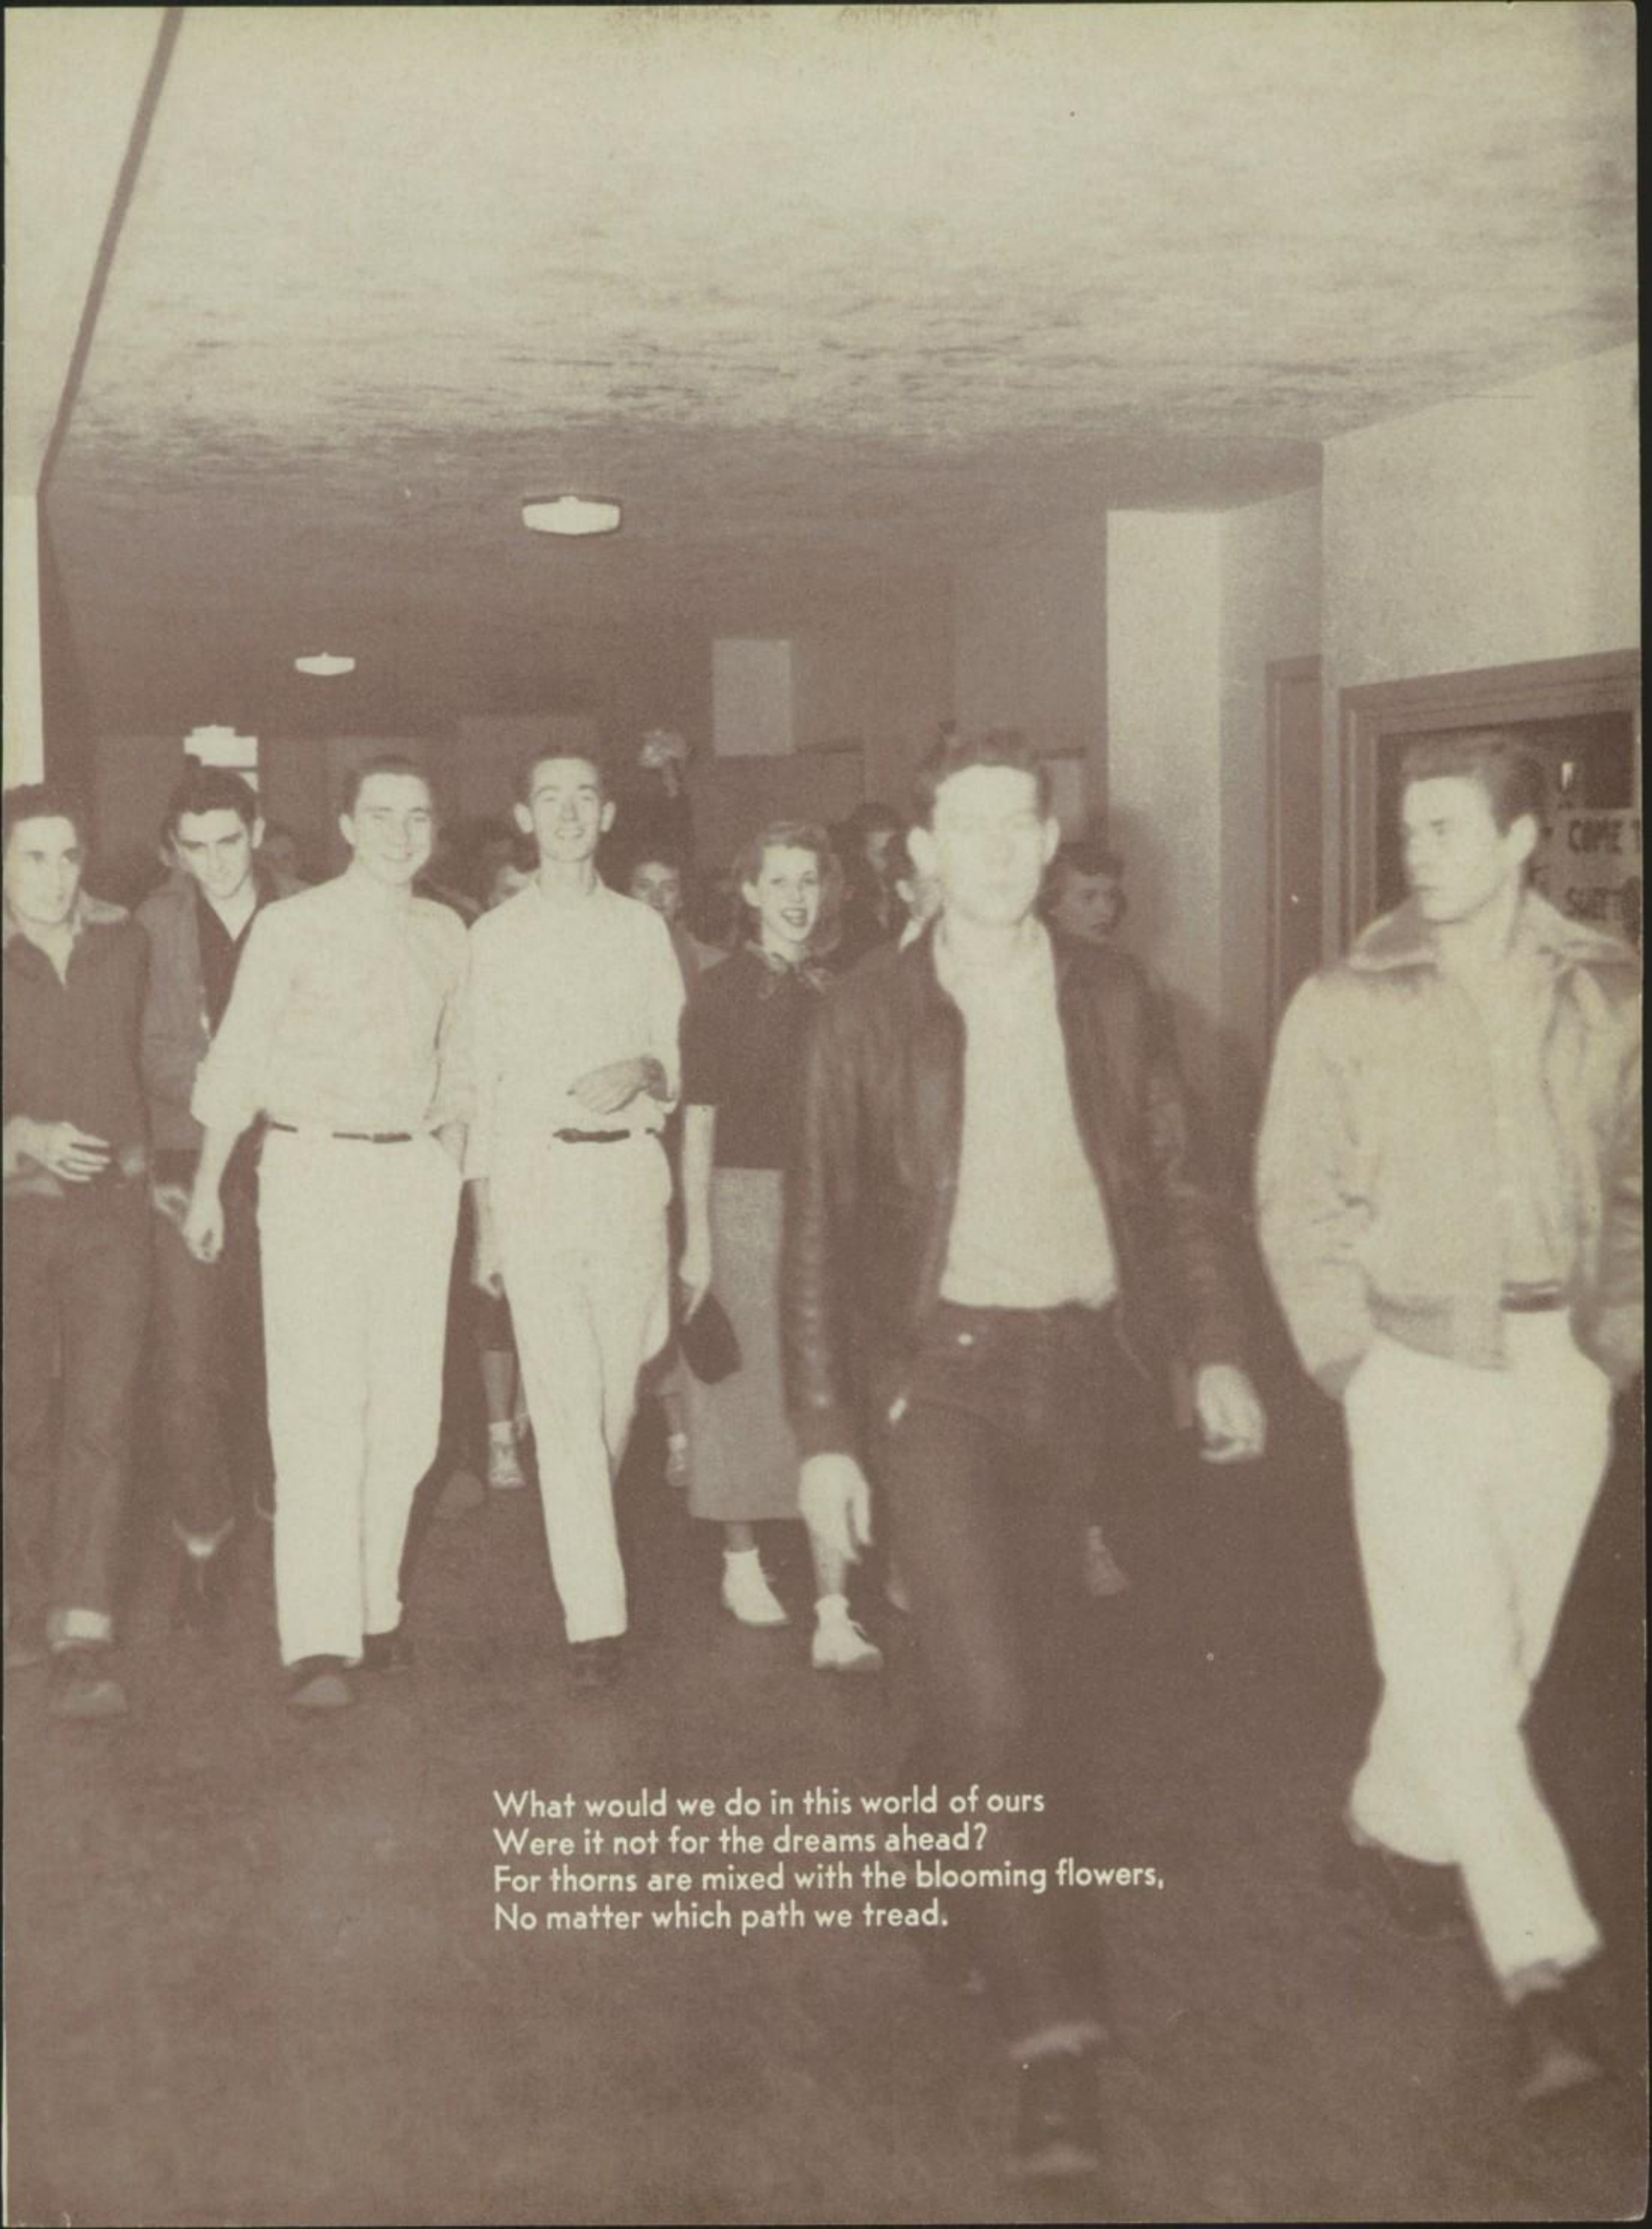
KEEP YOUR DREAMS . . .
They're richer far
Than the facts discovered are.
Keep your dreams for in them lies
Joy denied to men grown wise.
Still build castles in the air!
Still see white ships sailing there!
Still have something to pursue
Something which you wish you knew.

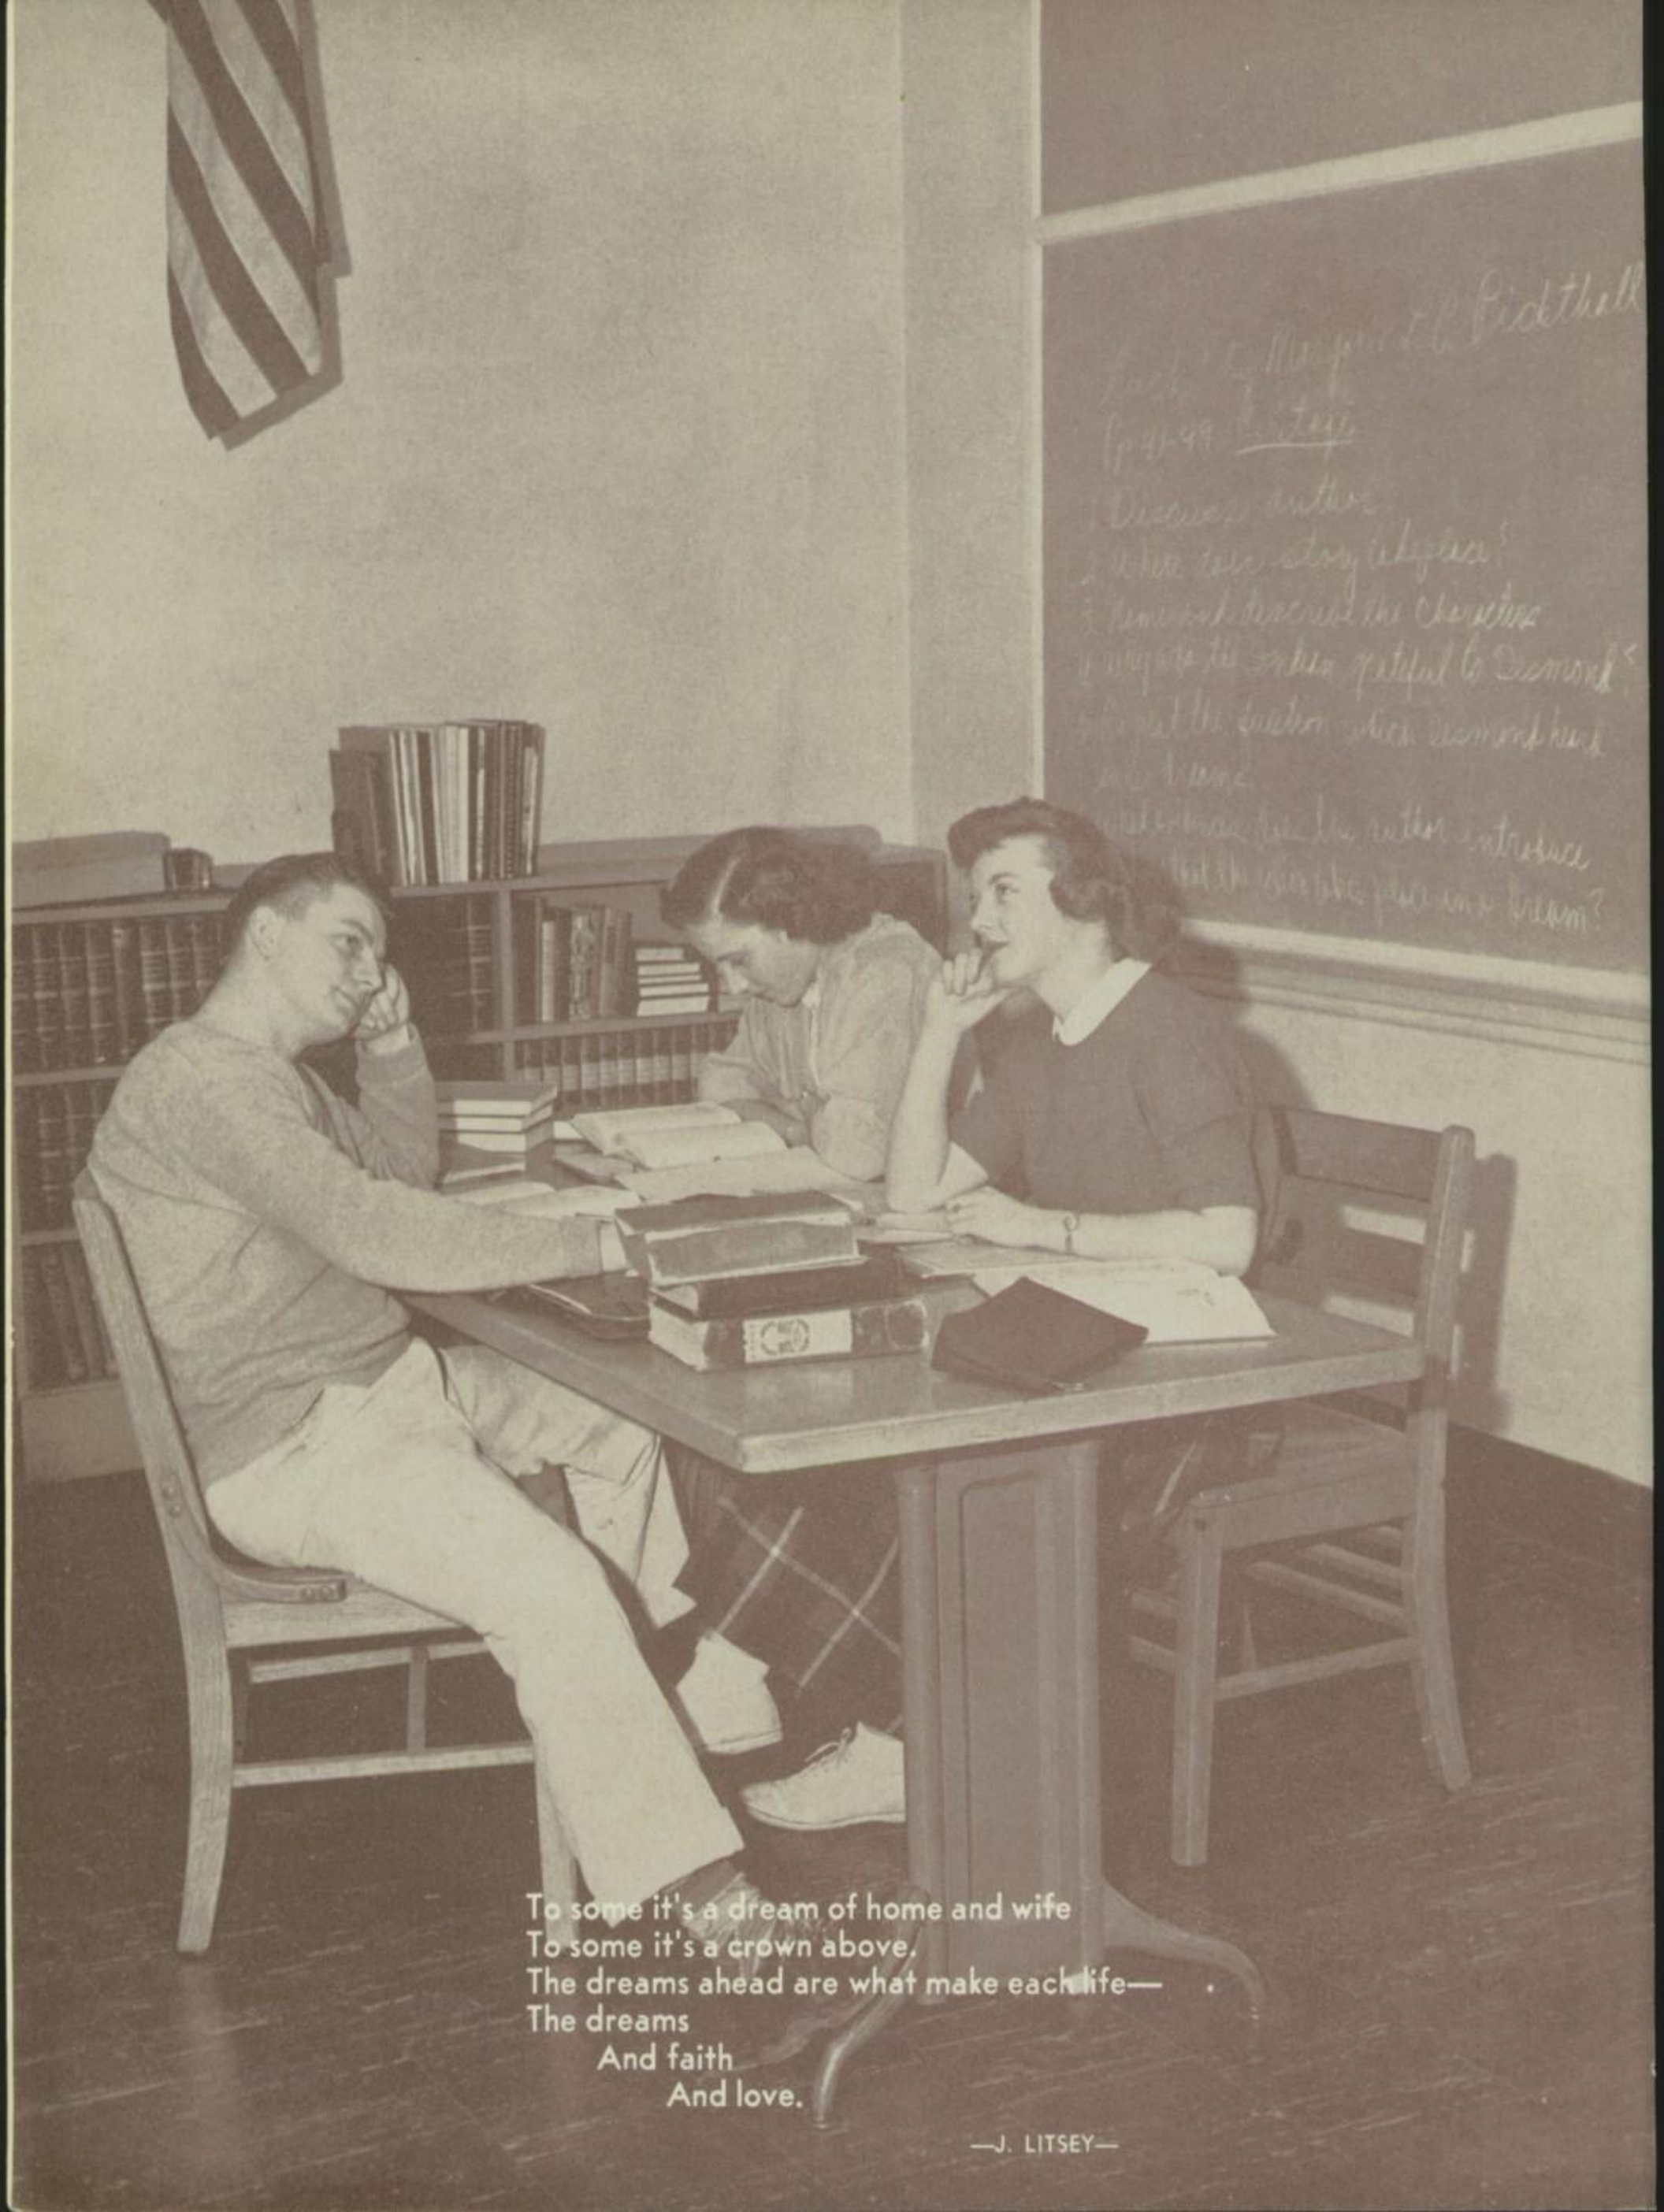
—E. GUEST—



What would we do in this world of ours
Were it not for the dreams ahead?
For thorns are mixed with the blooming flowers,
No matter which path we tread.

And each of us has his golden goal
Stretching far into the years.
And ever he climbs with a hopeful soul,
With alternate smiles and tears.

To some it's a dream of high estate
To some it's a dream of wealth;
To some it's a dream of a truce with fate
In a constant search for health.



To some it's a dream of home and wife
To some it's a crown above.
The dreams ahead are what make each life—
The dreams
And faith
And love.

—J. LITSEY—

ADMINISTRATION

"Dreamer of dreams; we take thy words with gladness
Knowing that God beyond the years we see
Hath made the dreams that count with men for glory
Into the fabric of the world to be."

Greetings to the students, faculty, and friends of Grants Pass High School!

It is fun to be a part of the many activities of our high school. It is my earnest hope that I have been able to contribute to the welfare of the boys and girls of our community. I feel certain that you students are developing every day in your ability to think clearly and to express your thoughts both in speaking and writing; that you are learning to work, play and live together in harmony; and that you will defend your own rights and respect the rights of others.

Education does not end with formal schooling. My best wishes to all of you for continued learning every day of your life.

The Students Have Need Of Teachers As Their Leaders . . .

CITIES SCHOOL OFFICE STAFF confers, left to right: Shirley Kincaid, Lillian Fosbery, Ralph Jones, Nettie Schweinfurt, and Samuel Morris.

Each year we have dreams of a perfect school. We realize that such a school will probably never exist but such is our goal.

Dreams are not realized by idle wishing. However, with such splendid cooperation from our student body and faculty and through the support of our patrons, our goals should be easily attained.

The support and cooperation we have received have made this school year one that is outstanding and have brought state-wide recognition for our splendid accomplishments.

Effective for the first time this year was the separation of the Student Council into the Upper and Lower Divisions. The purpose of the Student Council is to take care of all problems that arise in the classes and clubs. It is made up of Student Council Representatives from all classes and clubs in the school. This year each section in each class sent a representative, enlarging the organization a great deal.

Presiding over the Upper Division Student Council was Student Body Vice-president Ronald Stanger. Its advisors were Mr. Howard Harrison, Mr. James Keith, and Miss Juanita Demmer. Leading the Lower Division Student Council was Second Vice-president of the Student Body, Larry Hillis. Mrs. Helen Bonney, Miss Hazel King, and Mr. Bob Smith were their advisors.

Leaders Of Our School

The Executive Board is the supreme part of student government in the school. Its duties are to discuss and solve all problems that arise in the Student Body. It is made up of all Student Body Officers and presidents of the six classes. The President of the Executive Board is the Student Body President, Ronald Swisher. The advisors for this year were Mr. Walter Carpenter, Miss Alma Frerichs, and Mr. Frank Thomas.

First row, left to right: Doris Admire, Darlann Gauthier, Miss Frerichs, Mr. Carpenter, Mr. Thomas, Jim Reid. Second row: Larry Hillis, Virginia C.~xton, Betty Brown, Helen Bunnell, Ron Stanger, Ron Swisher, Jim Little, Stew Johnson, Sam Dean.

My Dear Bob

What a pleasure it has been working with you along with your sweet sister Dorothy. I only hope all through your years as a nice fellow I have succeeded in being one. I wish you the future and you will get that kind of a nice girl who will get you a good wife. Just wait and see. Take good care of yourself and your family. Be seeing you sometime. Classes Reunion

Very truly yours

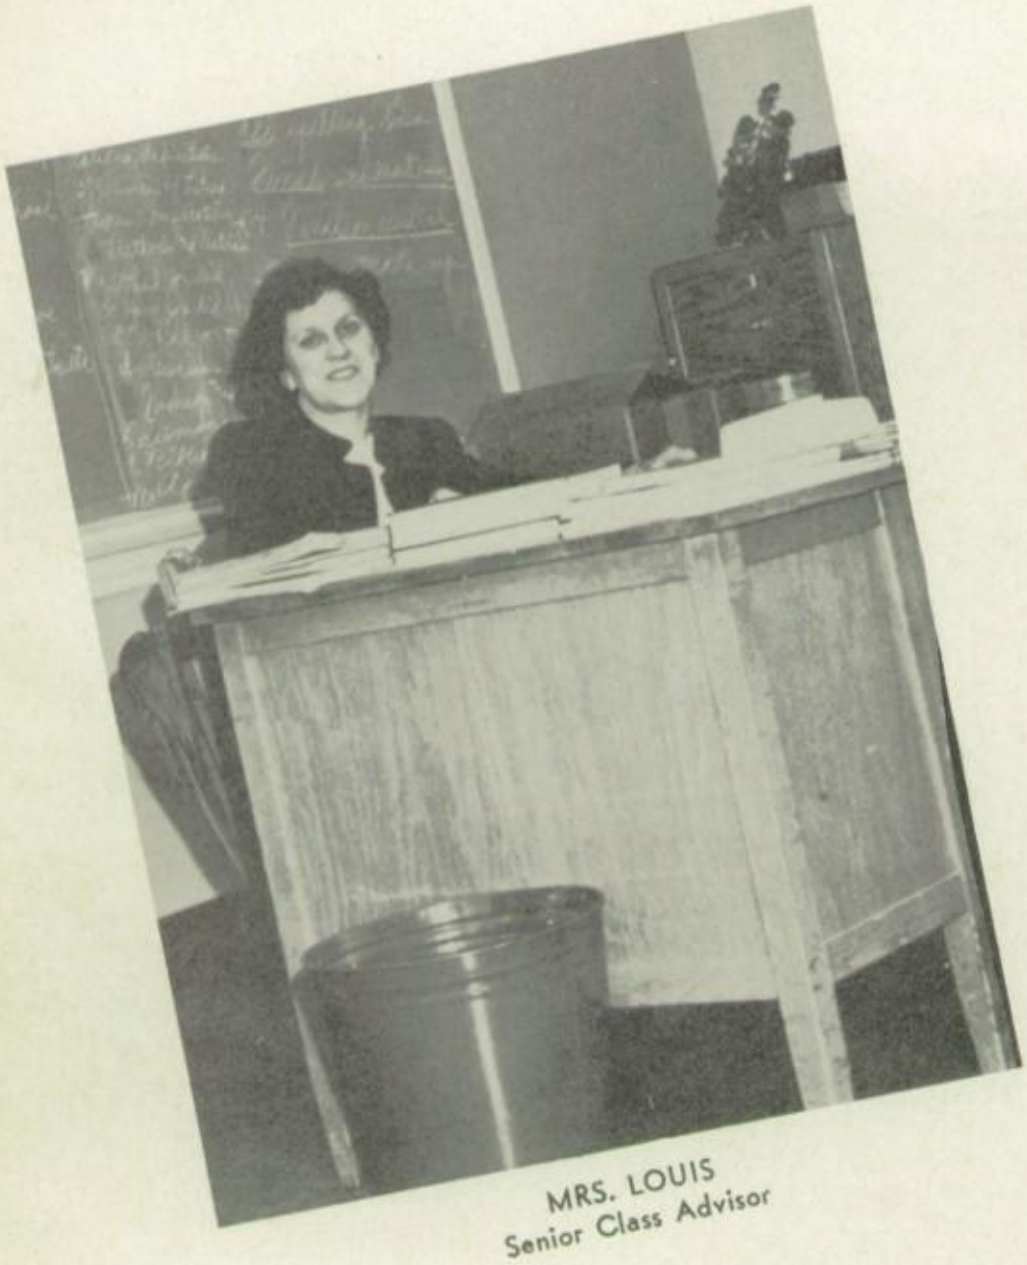
My Dream: To



MRS. LOUIS
Senior Class Advisor

I am the graduating class of 1952 and I wish to bid Grants Pass High School farewell. I shall return from time to time to observe your activities but it won't be the same. I'll not be seen rushing to class, getting a tardy slip, or stacking books in my arms, in these old familiar halls and classrooms again.

It seems, I have always held graduation before me as one of my important goals. But now that it is here, I realize, rather sadly, how much I will miss my high school days.

High school has been my whole life up until now. The everyday rush of activities, entertaining assemblies, the impressive events in sports, and all the wonderful, unforgettable things that made up my years here at my alma mater.

To my schoolmates, who someday will take my place as a senior, I say good luck and happiness in your remaining years at Grants Pass High School. I hope you enjoy and appreciate them as much as I have.

SENIOR EXECUTIVE BOARD—Left to right: Marjorie Mahoney, Donna Long, Terry Clayton, Dick Williams, Carl Peres, Jim Little, Dave Talbot, Stuart Kester, Pete Stearns, Pat Wuner.

be a Senior

To the faculty members who taught me so wall through the years, I say thank you for all I learned from the many hours spent in your classes.

My different class advisors deserve special thanks for guiding me so wisely in all the activities that I planned. Each year I was happy and well cared for and led on to greater goals by you.

Through the years I'll walk many different paths out there is one that I'll always remember. The rose covered path that led me from high school into my future.

Remembering you always,
The Class of 1952.

MR. DENNY
Senior Class Advisor

PLAN FOR MATURITY

"Though school may seem a drudge at times
And from studies you would turn,
Remember, keep your thoughts in line—
Your learning do not spurn.
Biology—geometry—
Spanish—English too
Will be your tools in later life
For things that you will do.

So always keep in mind this phrase
When doubtful you may be,
Whate'er you learn in your school days
Will be used in maturity."

—FRANK STEVER

Juniors
Class of "53"

The juniors chose "Junior Miss" as their class play for this year. The play was an excellent success for it was witnessed by the largest group that ever attended a class play in Grants Pass. The play was directed by Mr. Richard Lodwig who was assisted by Mrs. Maxine Jones. Another reason for the success was the co-operation of the cast, crew and director.

The juniors were very active this year and one fine example of this was their wholehearted support of their class in assemblies. They had several money-making projects this year and one of the most successful was the selling of popcorn at basketball games. They had many volunteers to sell popcorn which showed their enthusiasm to further their class activities.

Another of these projects was the sponsoring of noon movies early in the second semester. This was also splendidly supported by the students and netted the class much money.

Must have been a handsome cameraman!

The Junior Executive Council decided the details of most of the activities of the class. This council was composed of representatives from the history classes, class officers, and the class advisors. The students making up the council were: Kay Hyatt, Pat Parish, Bill Culhane, Calvin Winbolt, Norman Hedgepeth, Marilyn Knox, Barbara Francis, Bill Dostalik, Barbara Williams, Nadine McClellan, Bill Pedley, and Stewart D. Johnson. The class advisors were: Mrs. Jones, Mr. Bothwell, and Miss Parr.

Two other activities of theirs which were not as profitable but that were fun for all were the junior skip day and the junior prom. Both of these projects provided a good time for everyone attending. The junior skip day was held at the city park, and there were games and food for all.

Pictured at the right is the dance after the Medford-Grants Pass football game. This dance was sponsored by the junior class. It was attended by many Grants Pass and Medford rooters.

To complete their junior year the girls added to the beauty of graduation by carrying rose-covered arches, while the boys assisted by ushering.

IT LOOKS LIKE THE TEST WAS PRETTY HARD!

Sitting: Jari McCann, Jerry Whitsett, Sam Dean, Bonnie Ellsworth, Dick Pepper. Standing: Mr. Harrison, Miss Sollie, Mr. Mayfield, Mr. Weigart.

Sophomores

The sophomore class led a very active year. They had an informal party in the gym in January which turned out to be a great success. In the spring came their annual swimming party at Ashland. This, too, had a large attendance. A worthwhile project of theirs was the raising of funds for the I. R. L. to send to Europe.

SOPHOMORES IN ASSEMBLY.

Leading the class of "54": President, Sam Dean; Vice President, Jerry Whitsett; Secretary, Bonnie Ellsworth; Treasurer, Dick Pepper; Councilman, Jari McCann. They were aided by Sue Sweat, Phyllis Barry, Bill Hansen, Dave Isom, Kathleen McGregor, Jack Dickson, and Ann Schweinfurt, who were elected to represent their respective biology classes. Guiding them were the advisors: Mr. Weigert, Mr. Harrison, Mr. Mayfield, and Miss Sollie.

Freshmen

The Freshman class started the year right by coming in second in the magazine sales. They also helped with money and effort in the Lower Division project. Two money-making projects of their own were: Selling refreshments at games and sponsoring a dance after a basketball game. Their contribution to the graduating class was to clean up after graduation. They, like every other class, had their own parties. These were: A skating party in the fall and a picnic and skating party in the spring.

Behind all the work of the Freshman class were their officers: President, Jim Reid; Vice President, Tom Cudd; Secretary, Sally Wallace; Treasurer, Jay Reese. Also aiding were Bonnie Tucker, Marilyn Smith, Aileen Baker, Gwen McKillip, Lowell Coutant, Joe Varner, Barbara Hunt, Marjorie Reed, and Joyce Payte. The class advisors were Miss Calhoun, Mrs. Calhoun, and Mrs. Hansen.

NATIONAL HONOR SOCIETY

The purpose of the National Honor Society is to create an enthusiasm for scholarship, to promote worthy leadership, and to encourage the development of character. As a group, the club renders services of various types to the school. For many years they have purchased shrubs for the patio and this year they added flower bulbs.

Candidates for membership shall have spent at least one year in the school and be members of the junior or senior classes. To be eligible, students must have a grade average of 1.8 or better. They are judged on character, leadership, and service. Members of the sophomore class who meet the requirements may be chosen as probationary members if their grade average is 1.65 or better.

FIRST and SECOND SEMESTER OFFICERS—Pat Parish, Jack Wilhelm, Barbara Vobora, Jim Jordon, and Mary Cribby.

Getting out a yearbook is no picnic . . .
If you copy things from other annuals,
You are too lazy to write them yourself;
If you don't, you are stuck on your own stuff.
If you don't print all contributions,
You don't appreciate true genius,
And if you do print them,
The annual is filled with junk.
If you make a change in another fellow's makeup,
You are critical—if you don't you are asleep.
Now, like as not, some fellow will say
We swiped this from some other yearbook—
Well, criticizing, critical critics—we did!

Putting out a school newspaper once every two weeks is a task that takes the time and effort of every member of the staff. They occasionally put out extra issues along with special Christmas and spring editions.

The Scroll Staff has the responsibility of editing all sports programs, securing advertising, preparing all the copy, and arranging for printing. Members of the staff had the opportunity of learning how newspapers are printed and setting up the type for their editions. The capable staff was under the supervision of their advisor, Mr. Burkey.

GIRLS' LEAGUE

The Girls' League is a service organization composed of all high school girls. This past year it has been divided into two main groups, the senior high group and the junior high group.

The annual money making project was supervised by Carol Bestul; it consisted of selling popcorn at the football games.

The Girls' League sponsored the Sweethearts' Ball which was held February 9, and the Mothers' Tea and Style Show on May 9.

Among the programs at the meetings were career talks given by professional women.

As Advisor, Miss Quinlan led the girls on to greater goals . . . Lynn Smith, the very capable Lower Division President.

A CAPPELLA CHOIR

The A Cappella Choir seems to accumulate more and more public appearances every year. In early November they sang for the P. T. A. Open House. Christmas is always their busy season and this past year was no exception. On November 29, they went caroling downtown to get people in the right spirit for the Christmas opening of all the stores. They also participated in the Christmas concert which is a part of the regular Christmas program.

In early spring, the Choir traveled to Portland to present an exchange concert. They also went on a singing tour which was sponsored by a local businessman.

The Choir was directed by Mr. Joseph Lobboto; the accompanist was Mrs. Burndette Broer; and the student accompanist was June Fulco.

BAND

The Grants Pass High School band, under the direction of Raymond McAllister, is one of the most active groups in our school. At the close of the year, the band had grown to 105 members.

During football season, the band performed many intricate formations and drills. Because of lack of space during basketball season, the band played during the half on the stage in the Memorial gymnasium. The band helped our school spirit greatly by playing for pep assemblies.

A point system is used in earning a letter in music. To earn such a letter, a student must have at least 36 points.

A band council made up of members from each section of the band decides on dates for concerts, and on fines for students who break certain band rules.

OFFICERS—Njaa, Kester, Williams.

RAYMOND McALLISTER
Director

A highly successful concert was held in April, and ensembles participated in the District Music Festival, which was held in Klamath Falls.

SENIOR TRI-HI-Y

This is a newly formed group of only senior girls.

Some of their accomplishments and activities were attending church, giving Christmas food baskets, and sending CARE packages to Korea.

Through cooperation and willingness on the part of the members, it has been a very successful year.

DELTA TRI-HI-Y

The Delta Tri-Hi-Y consists of 80 sophomore and junior girls.

Many worthwhile activities have been sponsored by this active group of girls. One of the main activities was the sponsoring of the annual March of Dimes campaign. Another was the making up of Christmas baskets for several anonymous needy families in Josephine County. A dance was also sponsored by the Deltas after a basketball game.

The Thespians

The Thespians is a National Honorary Society which consists of branches of Thespians in almost every high school in the country.

The purpose of the Thespian group is to encourage dramatics in the high school. The students are interested, not only in acting, but also in make-up, stage lighting, radio, and interpretive reading.

Some of the students have attended speech tournaments in the state and they attended the Dramatics conference that was held in Eugene, February 5-9. To be pledged into Thespians, students have to earn ten points from dramatics, and another ten points before they can be initiated.

The club this year was very successful and their plays were enjoyed.

DONNA LONG

The Pep Club, which is composed of 80 girls, has contributed much to assemblies and games with their pep.

This hard working club has taken part in many activities. They sent the drill team to the state championship game, helped collect for the March of Dimes, sold popcorn at the games, held a dance, and sold football books. The money from these projects went toward chartering busses to the out-of-town games.

The initiation of new members drew everyone's attention on January 15. This was brought to a conclusion at the gym in the evening. All the members enjoyed themselves with the refreshments that the initiates brought.

Here is where all that yelling for GPHS comes from during the games.

DRILL TEAM ADDS COLORFUL DISPLAYS TO HALF-TIME PERFORMANCES DURING FOOTBALL GAMES.

LOWER DIVISION PEP CLUB

The Lower Division Pep Club contributed a lot to the spirit of both football and basketball games during the last year.

Not only did they attend home games but many out-of-town games also.

One of their most successful achievements of the year was the Merry-Go-Round dance. Sharon Rutter, the president, was credited with a very successful year.

SHARON RUTTER
President

"Won't you play that dreamy melody."

MERRY-GO-ROUND

Sally Wallace was crowned lower division Basketball Queen at the dance, "Merry-Go-Round," held in the junior high gym.

The queen was presented with a crown, and each candidate was presented with red and white canes tied with red ribbons. There was dancing, refreshments and entertainment.

LOWER DIVISION NATIONAL HONOR

The Lower Division National Honor consists of seventh, eighth and ninth grade students who have a grade point average of 1.65 or better.

This fine club stresses citizenship, service, leadership, and character in each of its members.

They hold their initiation in the spring. They also elect officers at that time.

First row: Gallager, Sias, Payte, Foster, McKrola. Second row: Eckstein, Snider, Vannice, Martin, Neilson, Lantz, Mackie, Gass. Third row: Mr. Ausland, Varner, Hassett, King, Herman, Brown, Christean, Mrs. Bonney.

JUNIOR HI-Y

The Hi-Y has started a new organization among seventh, eighth, and ninth grade boys which will be called the Junior Hi-Y. The seventh and eighth grades are separate from the freshmen for convenience. The seventh and eighth grade boys are in charge of the traffic control program and they have made this their project. They held their initiation in the fall just after school began and they had a swimming party in the spring.

Girls' Letter Club

The Girls' Letter Club is an organization composed of those girls who have earned a letter in athletics. To earn a letter the girls must participate in a certain number of games. There are some games played with other schools. A letter may be earned in each sport, a few of which are: Basketball, tennis, baseball, volleyball, and hockey.

These girls organized and officiated at intramural sports during the noon hour. They were very efficient in running this program.

The initiation of the Girls' Letter Club is similar to the Varsity G. only not as severe. Their advisor for the year was Miss Halbert.

First row: Mr. Ingram, Paylor, Corder, Swisher, Butts, Little, Stearns, Barker, James, Herron, Masters, Mr. Davis. Second row: Pedley, Talbot, McFarland, Conger, Jordon, Hedgepath, Norrick, Musser, Brown. Third row: Johnson, Wright, Williams, Schweinfurt, Obye, Reese, Dixon, Harbin, Flickenger, White. Fourth row: Bell, Barker, Bertrand, Winbolt, Robertson, Cudd.

Varsity G

The Varsity G. is an organization of boys who have earned a letter in one or more of these sports: basketball, football, tennis, baseball, track, or wrestling.

One of the high lights of their year was their initiation on January 12. It was at this time that the Grants Pass High students learned how glamorous girls can be. Eight boys were initiated and a good time was had by all—that is, except the initiates!

Would ya really like to know who won??

My! Aren't those girls? pretty!!

FUTURE BUSINESS LEADERS OF AMERICA

The aims of the F.B.L.A. as expressed in its constitution, are the development of business abilities and skills, leadership, personality, and good character. To obtain membership in the club, students must be enrolled in business studies.

Officers installed in a ceremony last fall were Dean Scott, president; June Fulco, vice-president; Mary Miller, secretary; Donna Taylor, treasurer; Marijean Saxon, recording secretary; Carol Ann Chaney, student representative; and Dorothy Sanders, reporter. Special guests from service clubs attended the initiation, and Mr. Aluyn Miller of the faculty of Southern Oregon College of Education addressed the group.

Some projects worked on during the year have included parliamentary drill and the perfection of a school service program. The hard working advisors for the group were Miss Myrtle Hayes and Mr. Walter Nelson.

TRADES and INDUSTRIES

The Trades and Industries class is one that trains the student to become a helpful and useful employee.

The year was filled with fun and frolic which included a party held at the County Club for members and friends. One of the most important events of the year was the annual employer-employee banquet.

During football season, each member did his part by selling candy and popcorn at the games to help raise money for the banquet and other activities. The club advisor is the hard-working Mr. Jack Sutton.

Two initiations were held during the year, in which the students dressed as the other members of the club directed.

Art Club

The Art Club contributes to our school the beauty of individual paintings. The different rooms of our school display outstanding art work contributed by art students.

They decorated the school at Christmas time with elaborate figurines which were placed on each window.

The many posters we have seen in our halls are a symbol of the work done by the Art Club.

All in all, it might be stated, that the Art Club creates the atmosphere of our school with their work.

Camera Club

CAMERA CLUB OFFICERS—On the right, beginning at lower left going around the camera: Pat Kendall, vice-president; Helen Jacobs, sergeant-at-arms; Barbara Vobora, president; Donna Ray, secretary-treasurer; Mr. Jones, advisor.

White, Irvin, Jacobs, Wesh, Priestly, Vobora, Howell, Calacci.

The Camera Club was so large this year that it had to be divided into two groups, one of which met on Tuesdays, the other on Thursdays during activity periods.

Some of their projects for the year were enlarging prints, learning development and printing, making portraits, and purchasing two big lights. Several trips were taken, one to the coast and another to Crater Lake.

INTERNATIONAL RELATIONS LEAGUE

The I.R.L. worked toward their goal of promoting an understanding of international relations.

The main project of the year was to crate and ship over 600 surplus school books to the Camolts High School in the Philippines. They also sent relief supplies to Korean refugees and subscriptions of the READER'S DIGEST to the school in Italy.

In the spring, 10 members of the club attended the State I.R.L. Convention at Eugene.

Serving as officers were: Jack Wilhelm, president; Maralou Dallas, vice-president; Sharon DuBois, secretary; Ben Lee, treasurer; Ann Hayden, student council representative.

CAVEMAN SPEECH CLUB

The Caveman Speech Club, under the leadership of their capable president, Alfred Cave, completed another successful year of speech activities. During the year they participated in four invitational inter-school speech tournaments. The district and state speech tournaments brought to a close the forensic activities of the club. In addition to tournaments, the club presented 21 programs for the public.

The students earned over a hundred dollars by selling hot dogs at football games to finance their trips.

The members of the speech club are proud of their record in representing their school in competitive speech events.

Queens

PAT WUNER

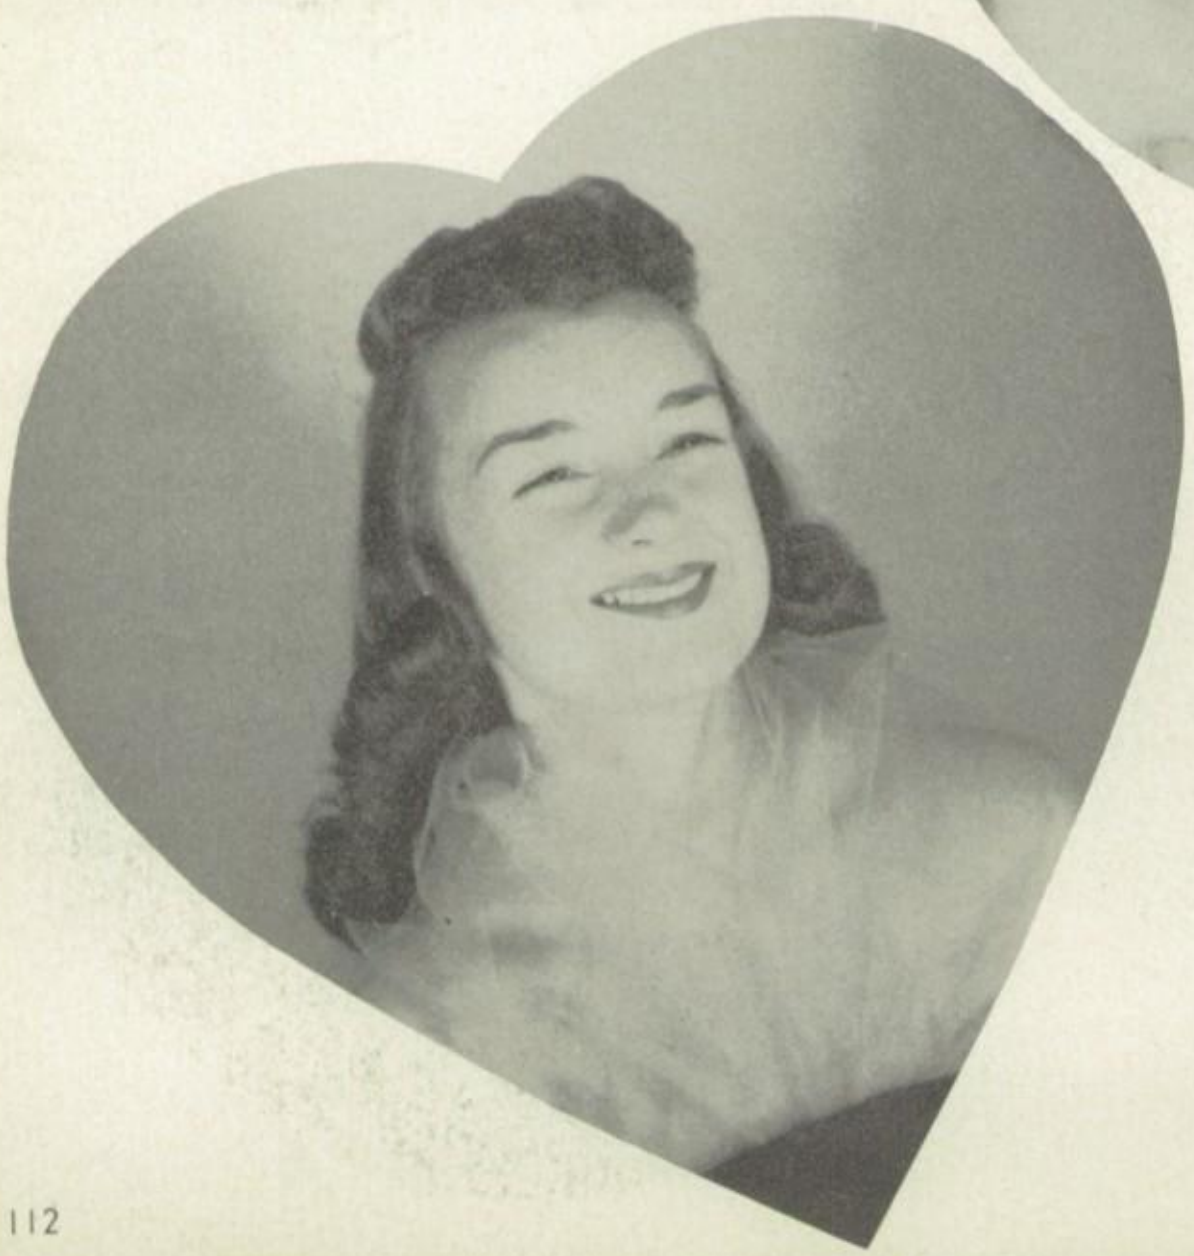
FOOTBALL QUEEN

Pat, a senior, was one of six candidates nominated by the football team for football queen. Members of the student body cast their votes in her direction and October twenty-sixth she was crowned football queen. Her reign included ruling over the Medford and Klamath Falls games.

VIRGINIA MAHONEY

MARCH OF DIMES QUEEN

Virginia was nominated by the junior class for march of dimes queen. Each class elected their own candidates for king and queen. Every dime turned in by a class counted as one vote for their candidates. At the end of the drive the junior class had turned in the most money and were declared the winners.



DONNA TAYLOR

SWEETHEART

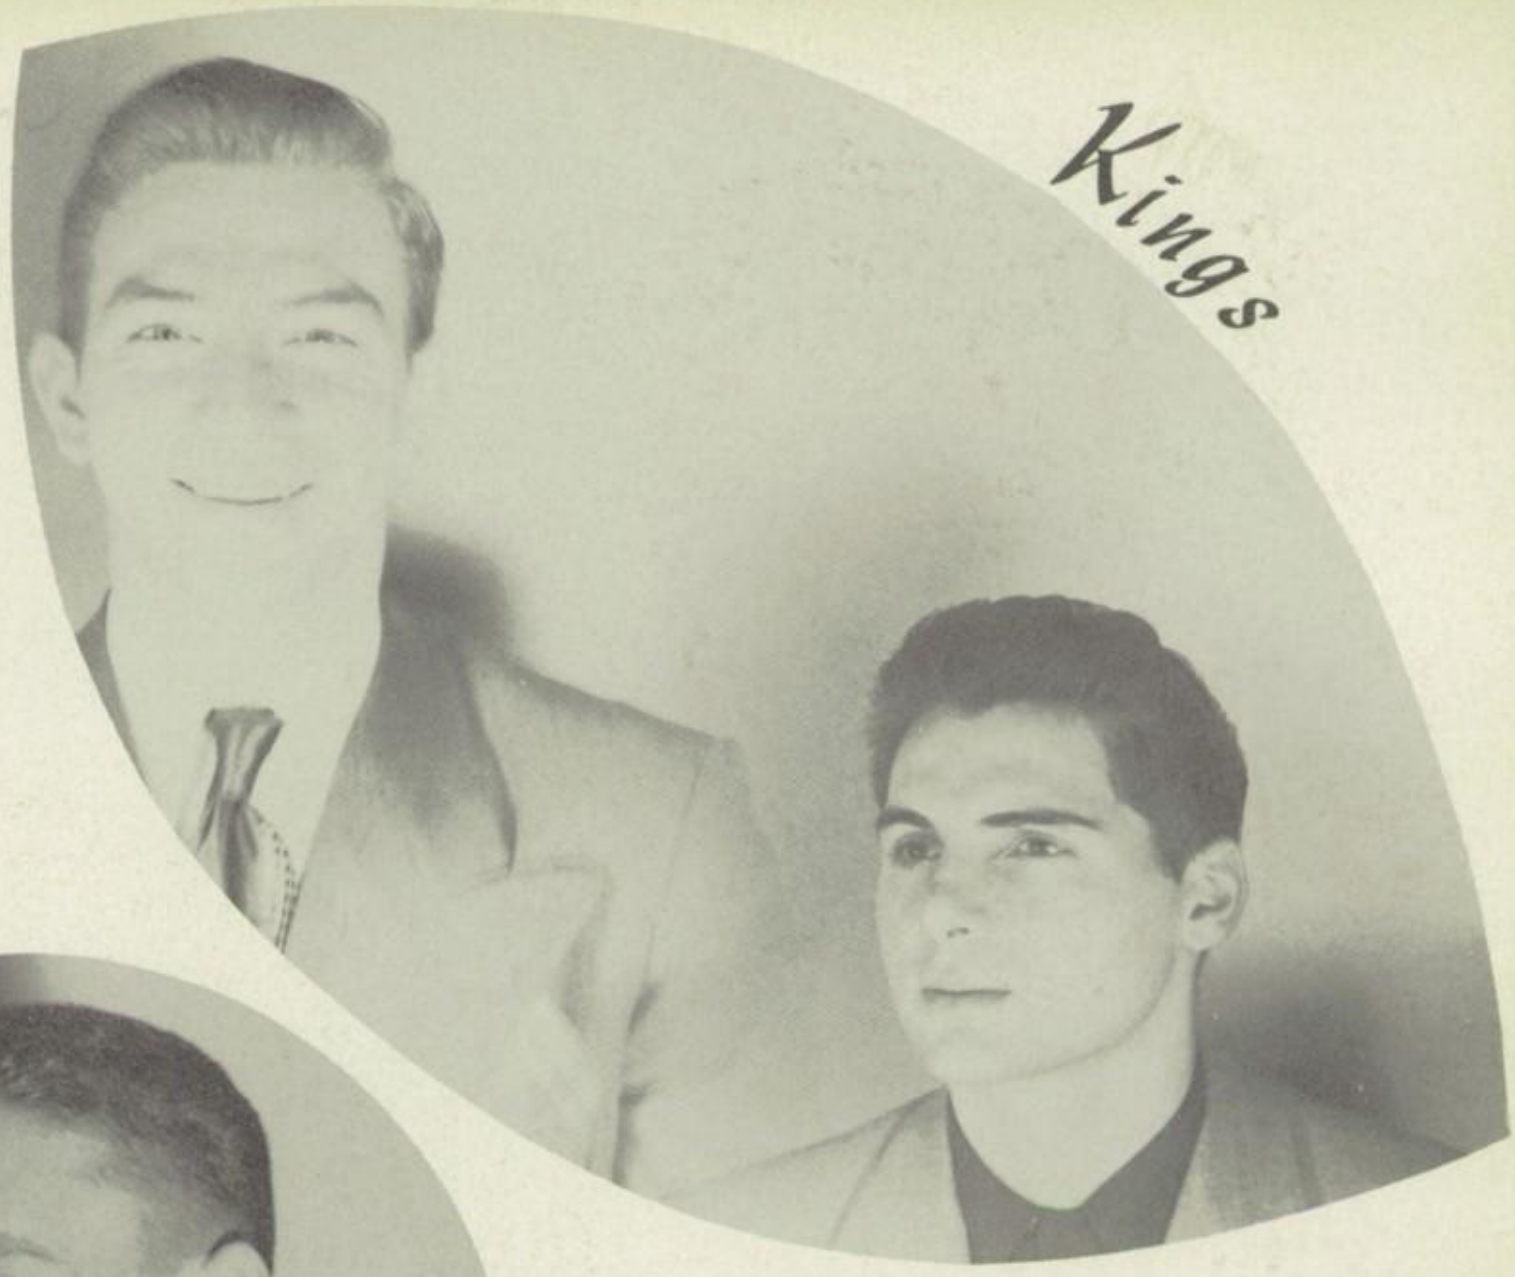
Donna, a senior, was crowned Sweetheart of Grants Pass High School, February ninth. She was one of three candidates nominated by the boys of the student body and later voted on by them. At the intermission of the sweetheart ball she received her crown from Ron Swisher.

Her princesses were Kay Hyatt, junior sweetheart, and Joyce Jacobson, sophomore sweetheart.

JOE CORDER
RON KNIGHT

FOOTBALL KINGS

Joe Corder and Ron Knight were chosen football kings because of their outstanding work on the football team throughout the season. Corder was chosen all-state center and Knight all-state halfback as well as being on the Southern Oregon All-Star team. They led our team through a brilliant season as co-captains.



MEL NORRICK

MARCH OF DIMES KING

Mel Norrick was elected as March of Dimes King by the junior class and was crowned January twenty-fifth during the half of the Medford basketball game. Virginia Mahoney was crowned as his queen.

DICK JAMES

BASKETBALL KING

Dick James was chosen king of basketball because of his outstanding work on the basketball team. He was high point man throughout most of the season and set the pace for many of the games that we won. He had a wonderful way of dropping those points we needed through the basket, but of equal importance was the way he seemed to be everywhere at once and usually getting the ball in his possession.

Dick was also outstanding in football as quarterback and as an outfielder in baseball.

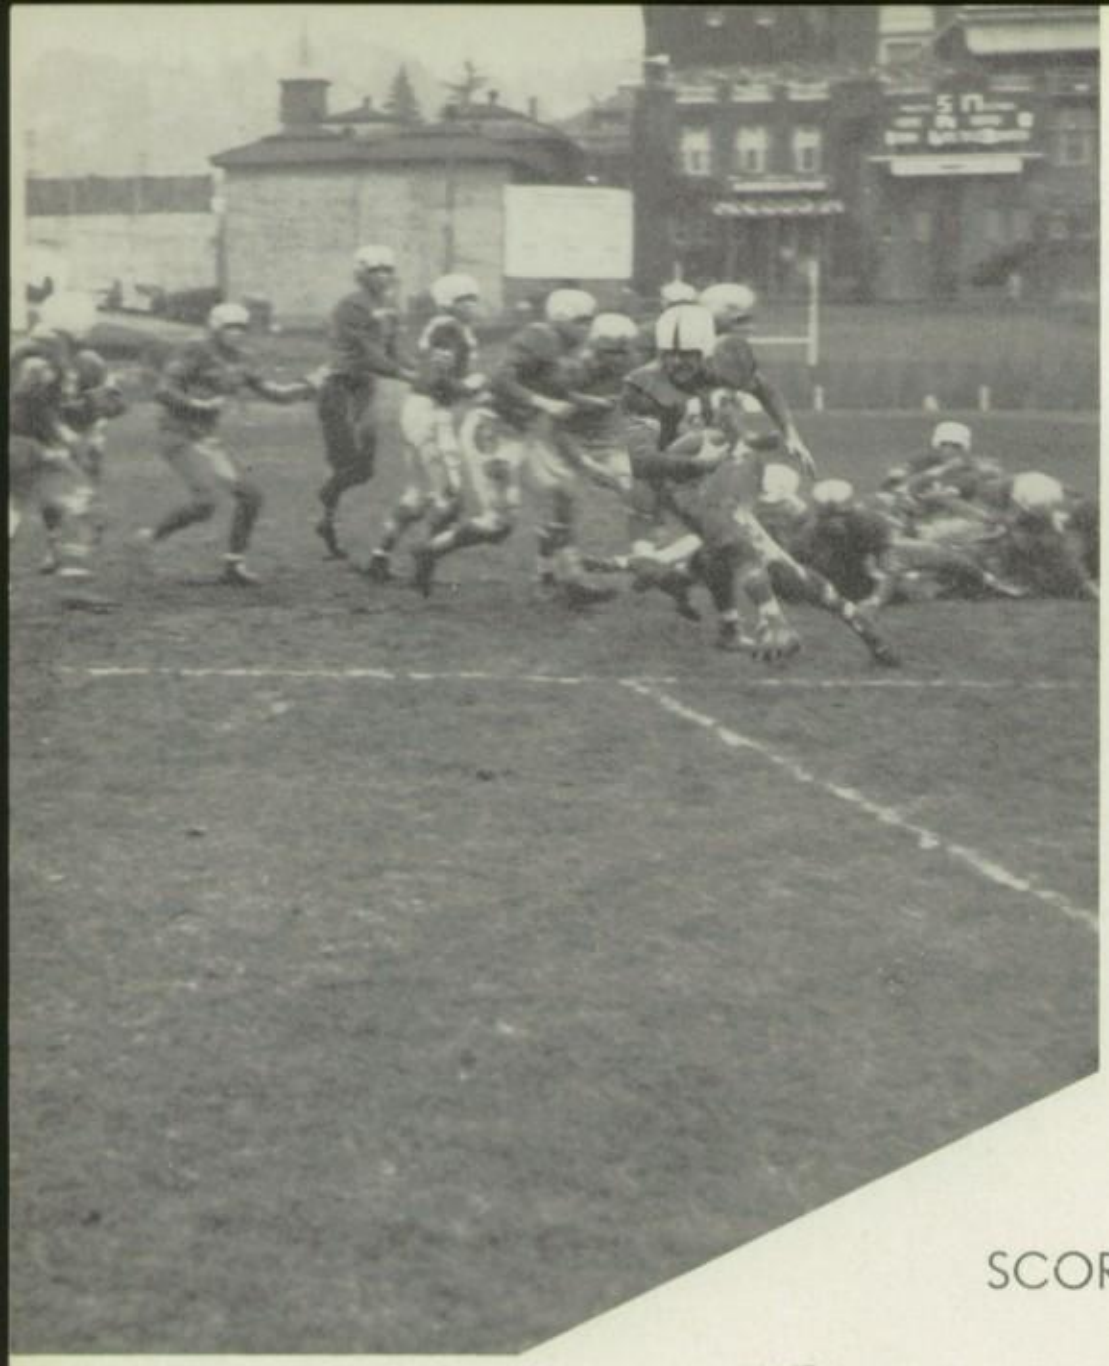
OREGON STATE
CHAMPIONS
1951



Let's make pay dirt, Ron!

spectators watched while we scored in the first three minutes of the game. The mighty Cavemen downed the tough Pioneer eleven, 28-13.

Saturday, December 8, marked the really important day for our triumphant team. We played the Grant Generals of Portland for the State Championship title at Portland in the Multnomah Stadium. Suffering from a bad case of stadium fright during the first half, we were lagging behind 14-0. The second half was a different story. We came back fighting like the champions we really were. The game ended in a 14-14 tie, with the surprise climax: Grants Pass 12 downs and Grant 9 downs.

Because of the State High School Activities Association's rules and regulations this gave Grants Pass the State Championship title for 1951.

Victories Well Earned

After fighting through two regular seasons, consisting of 20 games, undefeated and untied, the Cavemen finally reached their goal of "State Champions," a title truly earned.

Friday, November 16, found the team heading for Marshfield for the state play-off game with Marshfield. With a strong defense line, we won 25-13.

The quarter-final game was played on our own gridiron, Thanksgiving Day with Coquille. The Red Devils were credited with the first touchdown but we came back fighting. The final score: Grants Pass 48—Coquille 14.

Two weeks later, December 1, the Cavemen were flying 500 miles to Pendleton for the semi-final with Mac-Hi of Milton-Freewater. 6000

Proudly it stands.

Mel has been our head football coach since 1947 and every year he has been successful. We are very proud to say we have been a top-notch team since he has been with us.

The other coaches that assisted Mel during the season were: Tom Denney, assistant coach; Bob Smith, line coach; Ray Davis, back-field coach; Gordon Prehm, Trainer.

Undefeated, untied was still the chant of our Cavemen at the end of our regular season for the second year in succession.

Only one team made over seven points against us and that was Redding which we beat by an eight point margin of 28 to 20.

This year the Cavemen played eight scheduled games of which only two, Medford and Klamath Falls, were conference games.

We not only were first in the 6 A-1 conference but first in Southern Oregon.

Altogether we made 337 points to our opponents' 39, which shows what a really "top-notch" team the Cavemen had.

Basketball

This year the Cavemen had only four returning seniors which meant we were lacking in experienced players. The rest of the team consisted of one senior, seven juniors, and three sophomores. Considering the lack of experience, win or lose, the Cavemen hoopsters usually gave their opponents a fight to the finish.

During Christmas vacation the Cavemen journeyed to Roseburg, December 27; Cottage Grove, December 28; and North Bend, December 29.

Guard Dick James was high point man with a total of 187 points out of 15 games; an average of 12.5 points per game.

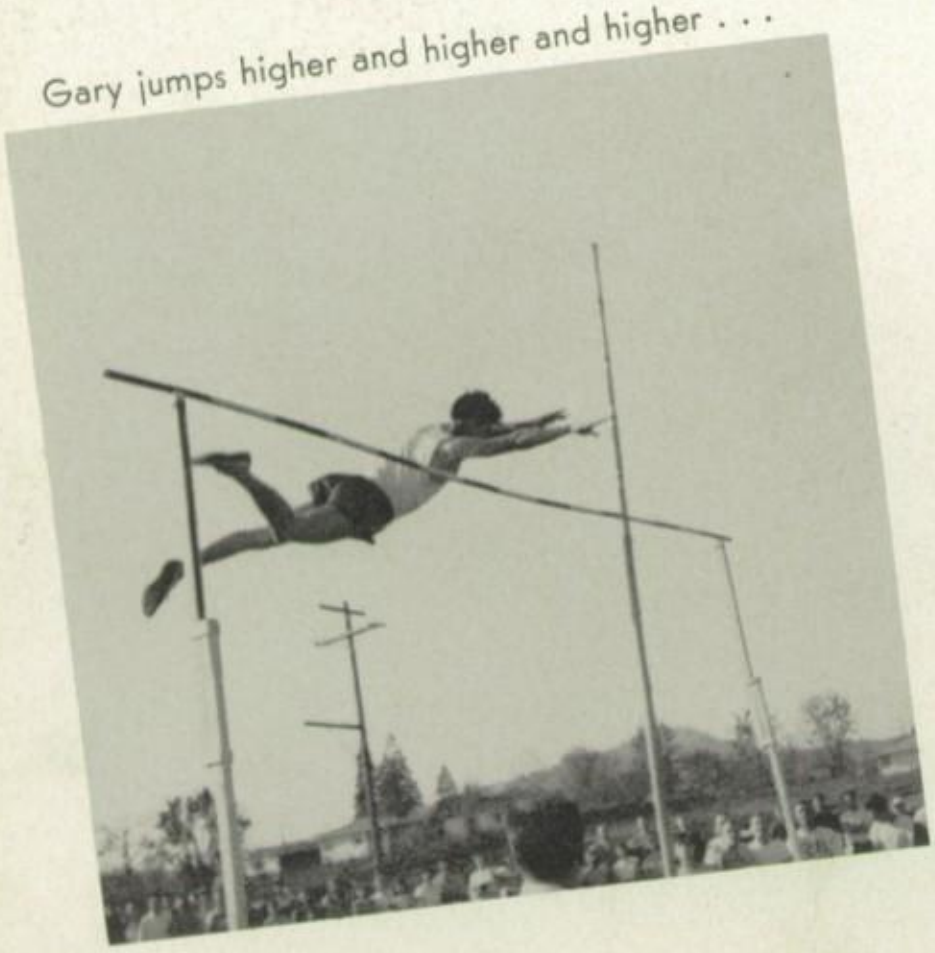
Track

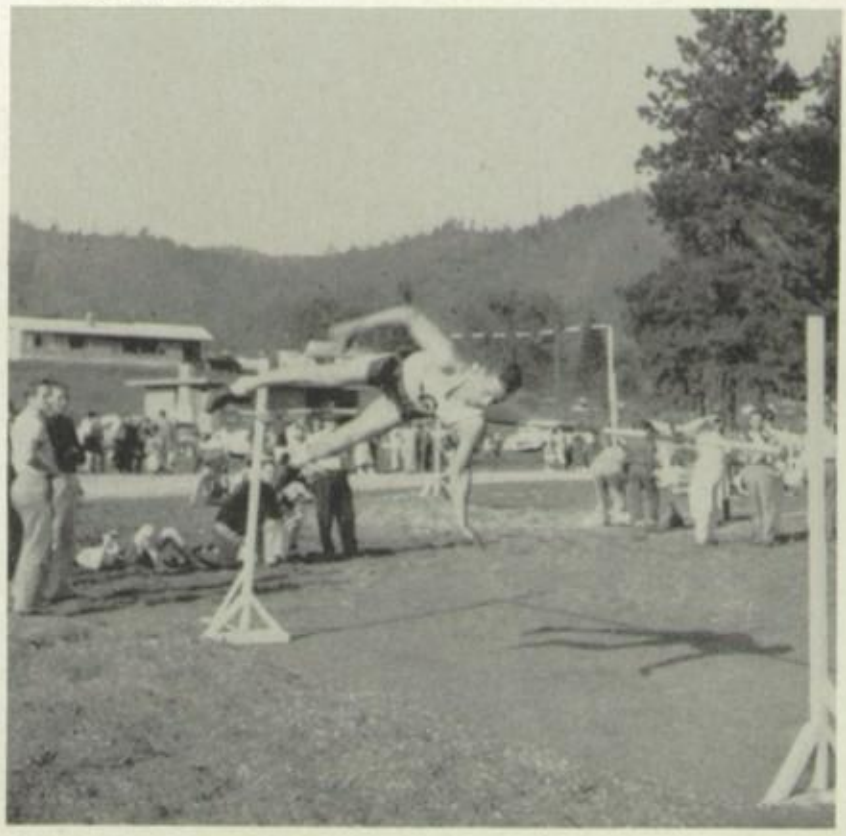
As always, when spring arrives, a group of boys can be seen dashing madly around the track field. These boys will be the ones to represent our school in the different track contests.

The outlook for 1952 is very good. They expect to be well balanced with some fine sprinters this year such as Talbot, Williams, and Schweinfurt. They also have a very good group of hurdlers which consists of Paylor, Robertson, and Norrick. Rex De Fur, who has been district champion in the 880 relay for three years, will be one of their best distance runners and Joe Corder, who has been in track for two years, will be one of the top javelin throwers. Broad jumping and pole vaulting will be well represented this year with McFarland, Paylor, Norrick, and Robertson participating.

Gary jumps higher and higher and higher . . .



Ohhh—That ground looks mighty rough doesn't it Bob?

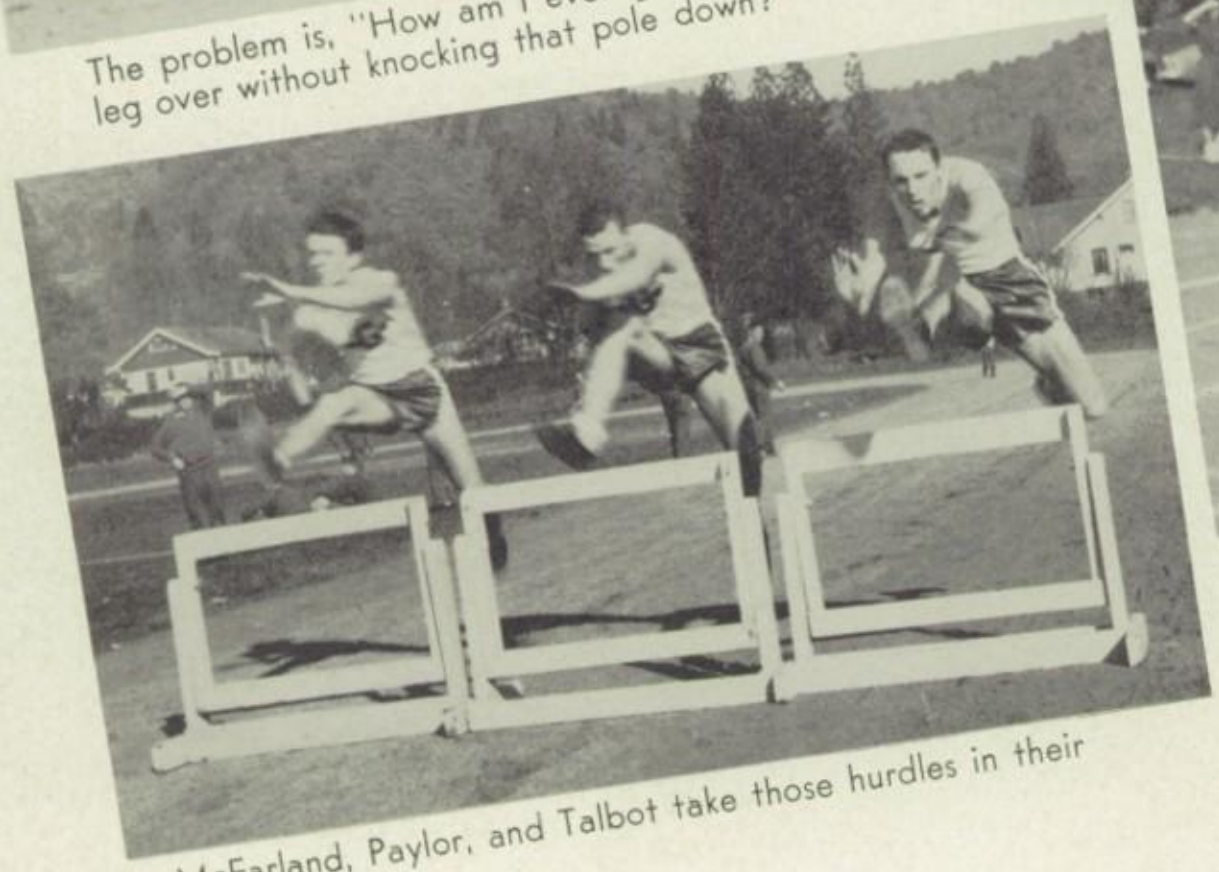


Really, all it takes is a bowl of wheaties!

Pose pretty, boys, and you might get your picture in the TOKA!

The problem is, "How am I ever going to get my other leg over without knocking that pole down?

Let's break that string and win that race, Rex!



McFarland, Paylor, and Talbot take those hurdles in their stride!

Tennis

"Let's get on with the game what say?"

"We're good friends in spite of it!"

Coch Marks' tennis team had a very successful season last year placing Grants Pass second in district play-offs. Those playing last year and expected to be in there this year with their rackets are Gary Brown, Bob Franz, Bill Hamilton, and Dick White, who was first man on the team last year. Jim Jordan was their capable manager. The coach's dream this year is to have a very successful year and the indications are that this dream will more than come true.

GORDON PREHM

First row: Brown, Newman, Rasmussen, Towne, Tribby, Dallarhide, Hall, Barker, Lincoln. Second row: Scott, Masters, Hussey, Murray, Woods, Ganoung, Carothers, Campbell, Norton, Williams, Josephson. Third row: Coach Smith, Logan, Zottola, Doerfling, Miller, Babbs, Edgerton, Kennedy, Edwards, Theobald.

Wrestling

The District No. 4 wrestling conference was subdivided this year because several new teams were admitted from Eastern Oregon, thus making our district too large. Klamath Falls joined with Eastern Oregon leaving Grants Pass, Medford, and Roseburg in our district.

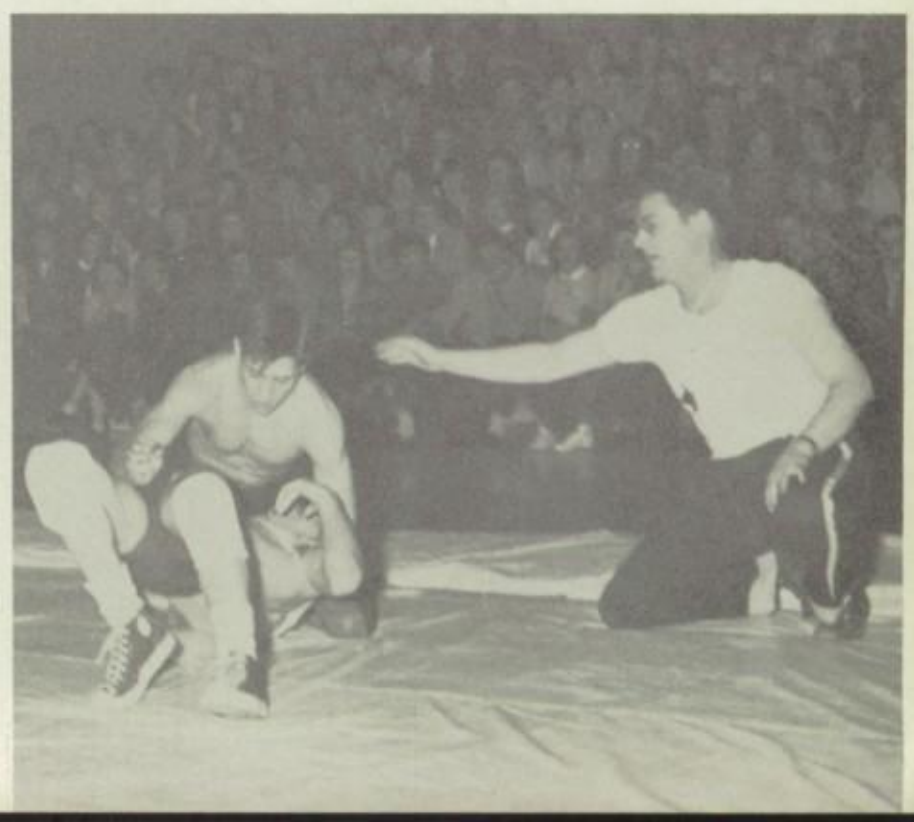
The majority of the squad this year are freshmen and sophomores. Most outstanding of these are Zottola, Brown, Scott, Edwards, Ganoung, Campbell, Martan, Jaynes, Josephson, Kennedy, and Tripp.

There are twelve different weight classes ranging from 98 pounds to heavy weights. Three of the outstanding wrestlers of these weights are Carol Dollarhide, Dick Barker, and Eddie Masters.

Coach Smith expects an exceptionally good team next year also.

My goodness, why don't you use a "half nelson"?

A striking example of manslaughter!



Rebound boys!

Coach Keith says they will be a good team if they just grow some more.

I just dare you to reach higher than I am ! !

Junior Varsity Basketball

The Junior Varsity Basketball team this year has had a very successful season. They have won all of their games with the exception of one game against Medford. EIGHTH GRADE SWEEP MAGAZINE CONTEST

The class of '56 started the new school year by combining with the seventh grade to sponsor the annual skating party for the entire lower division. Later in the fall, both lower and upper divisions held a magazine sales contest. The eighth grade won the contest by selling over $1,200 worth of subscriptions. As a reward for their great efforts, they received a class mascot, a goat, which they will permanently keep in their possession.

One of the main projects for the year, was the clean-up campaign, in which they urged the entire Student Body to keep the grounds neat. Many students aided the drive by designing posters and making slogans and jingles, which were placed around the school.

At Christmas time, the students brought many useful gifts which they sent to the war orphans in Korea.

SEVENTH GRADE PROGRESSES

The class of '57 traveled through a busy and successful year. Although entering the new building was a strange but exciting adventure for them, they soon got accustomed to it.

Among the many activities that the class participated in, was the P.T.A. membership drive, in which they placed first, with the largest representation of Mothers and Fathers joining in both lower and upper division.

The class of '57 combined with the eighth grade to sponsor a lower division skating party, soon after school started. Many attended the party, and it was agreed by all to be a huge success.

Early in the fall, the class had an assembly to learn school songs and yells, which added much to school spirit.

In the spring they had their annual school picnic. Everyone enjoyed the refreshments and recreation, and had a wonderful time.

EAGER BEAVERS

The Eager Beavers club consists of all the 7th grade boys, who upon entering the Junior High, automatically become members.

Many useful and highly successful campaigns to keep our school grounds and surrounding residential areas clean have been the work of these boys who earn the name of their club.

Among the many activities sponsored, was a clean up campaign, in which they placed blue and white barrels on the school grounds, for students to deposit their trash in. This campaign was thoroughly successful, and also aided to the beautification of our campus. The boys holding office this past year were: Marvin Pounds, Jerry Rough, Stanley Lewman, Larry Austin, Denton Nelson, Bill Balderree, and Davy Smith. The advisor was Mrs. Helen Bonney.

Eighth Grade Mixed Chorus, under the capable direction of Miss Joan Libby.

Glee Club does capable work during the year.

Eighth Grade Science Club

The 8th Grade Science Club was organized very well this past year. The purpose of the club is to increase an interest in science primarily for the 8th grade boys.

The officers for the past year were: Larry McFarland, President; and Don Kochis, Vice President. The hard working advisor was Mr. Don Ausland.

Many interesting and informative meetings were held on the first and third Tuesday mornings of each month during activity period. The club members performed different experiments during the many meetings.

Approximately 60 members belong to the club, which was started three years ago, by Mrs. Marjorie Munt, a former advisor.

Club fosters interest in science.

Spic and Spanners

We don't really mind work so much ? ? ?

The Spic and Spanners is an organization for all 7th grade girls. The club's purpose is to acquaint the girls with one another, and to perform helpful duties in the school.

The officers for the year were: Joann Lawson, President; Judy Newman, Vice President; and Nancy Humphrey, Secretary-Treasurer. The club advisors were Miss Evelyn Moats, and Mrs. Dewey, who guided the girls through a very successful year.

The meetings were held regularly every month, during the activity period. The girls accomplished many worthwhile activities, such as tidying up various class rooms, and bringing flowers to freshen some of the rooms during the spring.

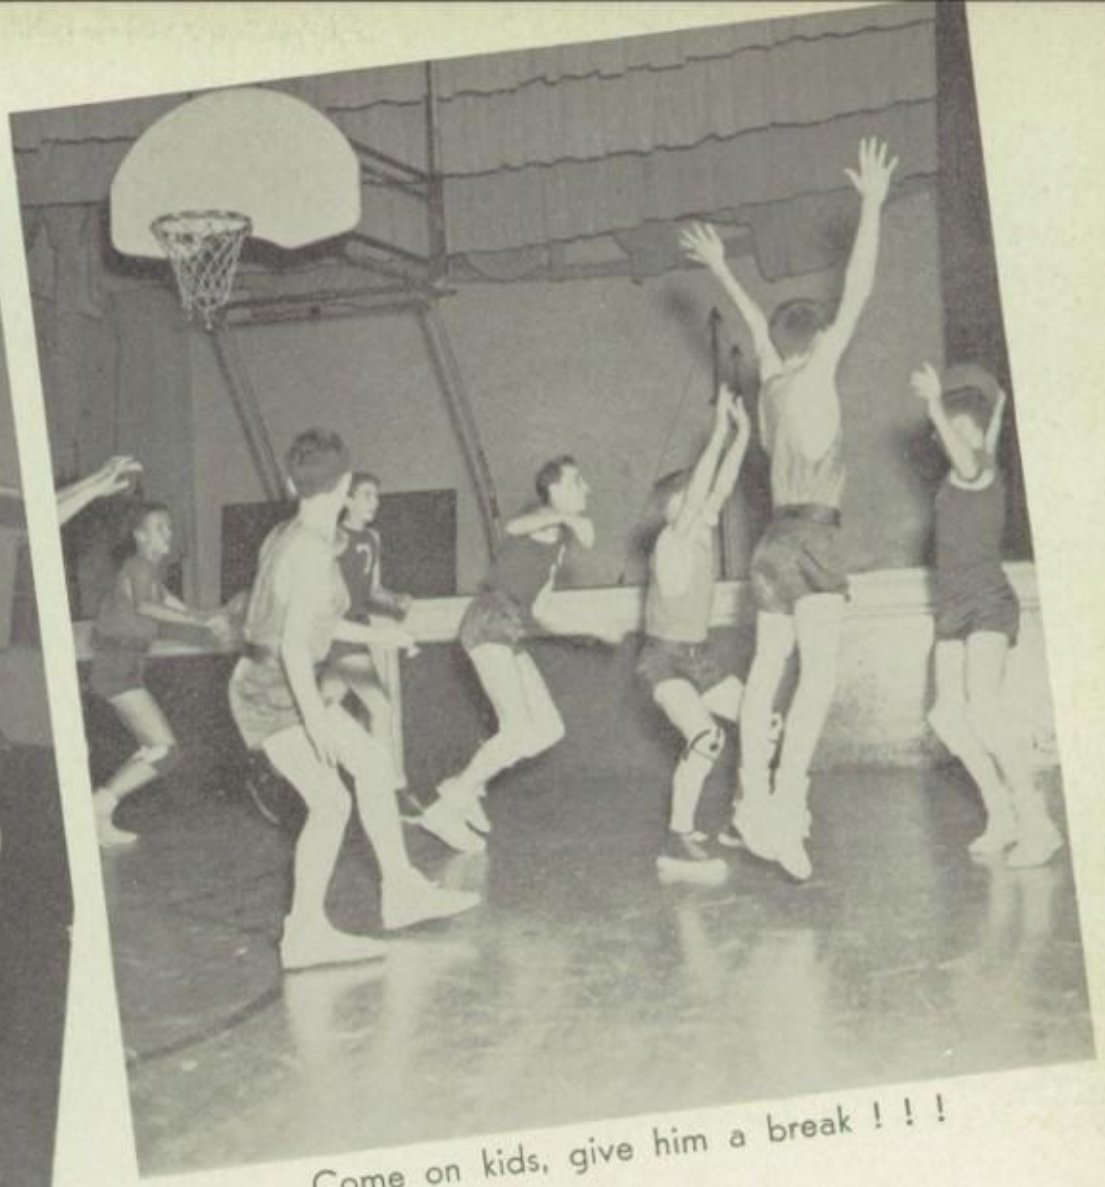
First row: Manager Mannam, Brown, Cannon, Russell, Johnson. Second row: Osborn, Monrow, Kochis, Herman, Cannon, Nevi. Third row: McFarland, Winger, Mendenhall, Thomas, Johnson.

Eighth Grade Basketball

Seventh Grade Basketball

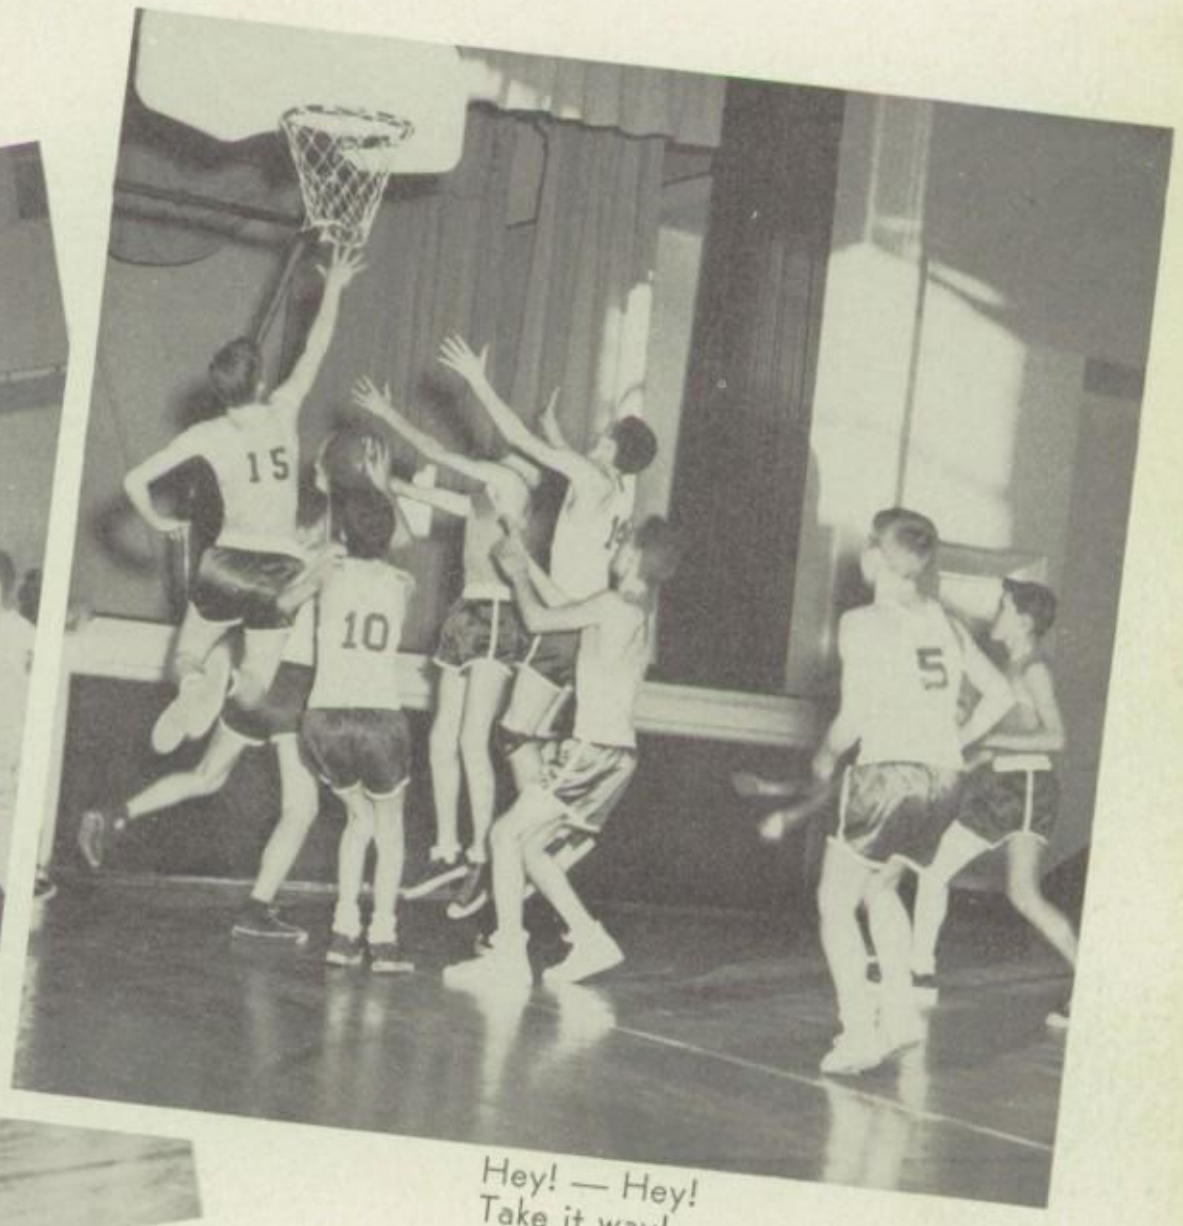
First row: Eckstein, Craven, Robertson, Overbay, Zinn. Second row: Hadsey, West, Henderson, Besthel, Taylor. Third row: Hansen, Simonoson, Pedigrew, Renfro, Manager Kester, Manager Waite.

Come on kids—get that rebound!!



Come on kids, give him a break ! ! !

Where's the ball, fellows?



Hey! — Hey!
Take it way!

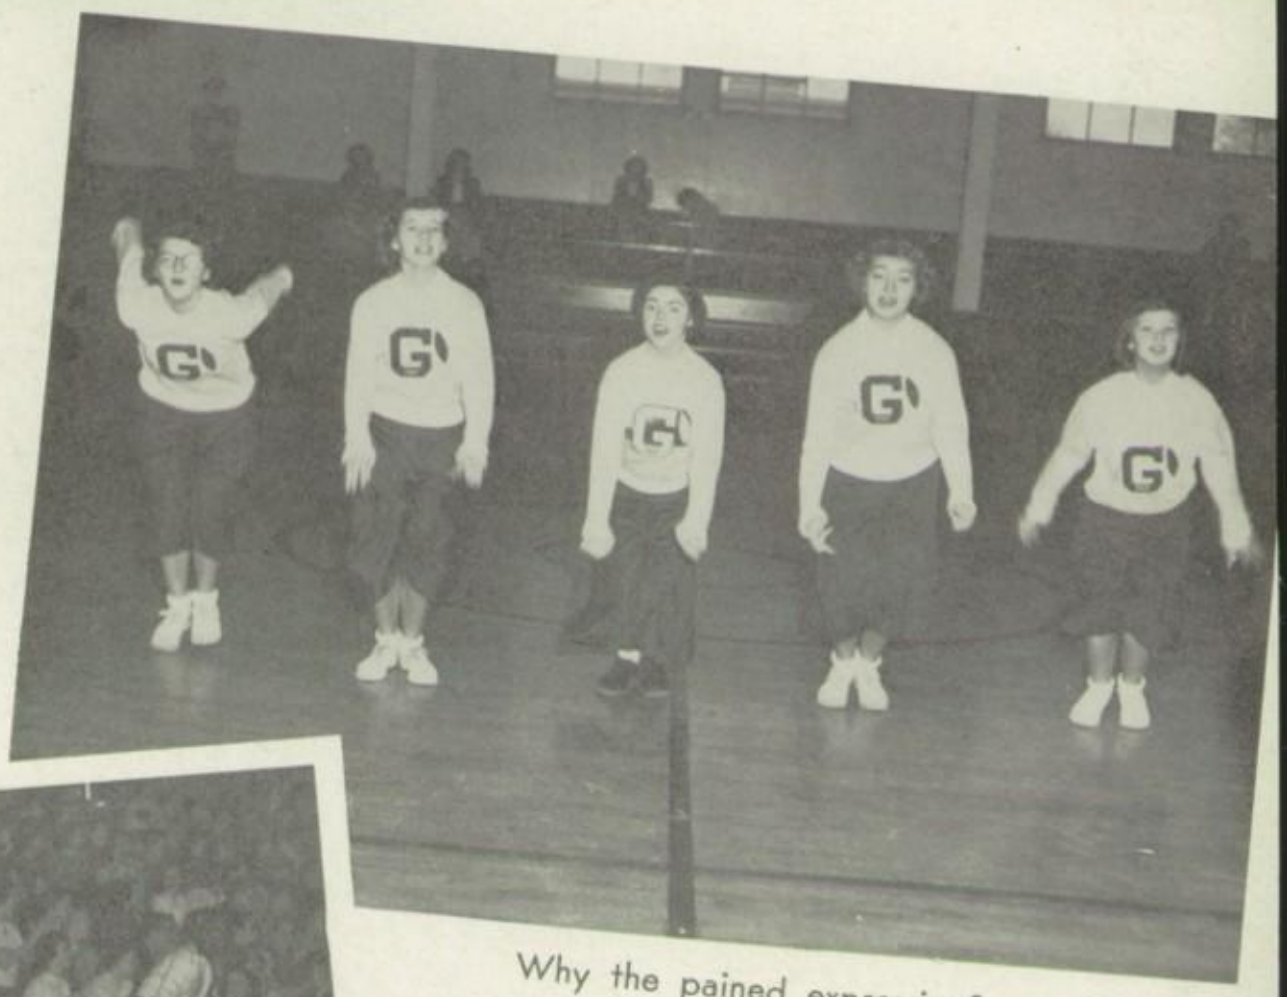
LOWER DIVISION RALLY SQUAD

To the Lower Division Head Yell Leader Rita Herr, and her four assistants: Shirley Hedgepeth, Maralee Snyder, Beth Long, Beverly Pernell, and their advisor, Miss Barbara Cornilles, go many thanks for a "job well done."

The rousing songs and yells which they led in assemblies greatly helped the loyal team spirit. Besides leading yells, one of the many jobs of the squad was seeing that there was a cheering section for out of town games.



Why the pained expression?

Showing their spirit at a game.
